# CHALCHISA SHIFERAW HIRPASA

## VIDEO EDITOR

CREATIVE • DEDICATED • DETAIL ORIENTED

## PROFILE

Creative video editor specializing in short-form and cinematic content. I transform raw footage into visually compelling stories that engage audiences and bring ideas to life. I combine creativity, technical skills, and AI-powered tools to deliver high-quality edits. Always learning, always improving.

## EXPERIENCE

### FREELANCE VIDEO EDITOR

2024 – Present

#### Self-Initiated Projects

- Created and published short-form and cinematic video edits for social media platforms including TikTok.
- Applied advanced editing techniques including transitions, color grading, beat sync, and visual effects.
- Used AI tools such as Google Veo and Gemini to enhance creativity and streamline workflow.
- Sourced high-quality stock footage and sounds from Pexels and Freesound.org to elevate production value.
- Continuously learning and improving skills with Adobe Premiere Pro.

## PROJECTS

### TikTok Editing Portfolio

A collection of short-form edits showcasing different styles and effects.

### Cinematic Short Edits

Cinematic storytelling edits focused on mood, color, and emotion.

### Before & After Transformations

Editing transformations that highlight the power of visual storytelling.

## EDUCATION

### JIMMA UNIVERSITY

3<sup>rd</sup> Year Student

#### Bachelor of Science in Software Engineering

Passionate about technology, problem solving, and building innovative solutions.

“ Every frame has a purpose.  
I turn moments into impact.”
